COMFORT SOLUTIONS FOR A BETTER LIFESTYLE

AMBIENCE AIR AIRCONDITIONING

KEEP THE TEMPERATURE OF YOUR HOME COMFORTABLE ALL YEAR ROUND

FUJITSU AIR CONDITIONING

At Ambience Air we are dedicated in providing exceptional value by offering only the highest levels of quality to our valued customers. That's why every Premium Fujitsu Inverter Ducted Air conditioning solution we individually size, design, deliver and install in your home is done with the finesse you expect from leaders in the industry. Partnering with best brands like Fujitsu Air Conditioning and Advantage Air smart control systems and component solutions, you can rest assured you are investing in premium products offering piece of mind through solid warranty and after sales support guaranteed.

Ambience Air are a leading supplier of air conditioning products in Western Australia. Focusing all of their strengths into one core industry that has resulted in award winning service since 2003. We strive to consistently provide high quality, energy efficient, reliable products accompanied by superior customer service through our company procedures ensuring our friendly and most experienced team make it easy to deal with from the initial sale all the way through to handing over and explaining the operation of your new comfort solution. Whether you need a solution for a small bedroom, large living space, upgrading from evaporative cooling or replacing your old tired existing system, Ambience Air's combination of technology, insight and design will be guaranteed to provide effective and efficient air conditioning for your family's home comfort solution.
